OAKRIDGE FEE STRUCTURE for 2026

Dear Parents , Guardians and Friends of Oakridge College,

After consulting with the school accountant and the school's advisory council, fees for 2025 will be increased by approximately 5%. **Fees are to be paid IN ADVANCE OF TUITION.**

The fee structure for 2026 will be as follows:

Fee Structure for 2026

There are four methods of payment of school fees for 2026. They are:

1. **Annual fees:**
   There are three options. Fees paid by the 15th of December and 31st of December 2025 carry a greater discount than those paid in full by the 15th of January 2026.

2. **Termly fees:**
   These fees are to be paid by the **first day of the new term**. The learners of parents who choose this option will not be allowed to attend school unless the fees are paid in full, before the first day of the commencement of the school term.

3. **Monthly Debit Order:**

This is the preferred method of payment, as it helps the school with its cash flow. The debit order run occurs between the 25th and the 1st of each month for the fees for the following month. Debit orders that are not honoured will **accrue** a **R 350** penalty for each time payment on the debit order has not been honoured.

Failure to rectify unhonoured debit orders payment by the 4th of the month will result in the immediate suspension of your child until such time as payment has been received.

4. **EFT Payments**:

Unfortunately many parents who have chosen to pay via **EFT** have not honoured their obligations either timeously. Parents and Guardians who want to pay monthly may only do so by **DEBIT ORDER** unless they have been **payers in good standing**. Fees paid via EFT must be paid before the 4th of the month.

Failure to make payment by the 4th will result in the immediate suspension of your child until such time as payment has been received.

5. Learners who have **OUTSTANDING FEES** from **2025** will not be allowed back to Oakridge in **2026** unless the following has occurred:

5.1 Outstanding fees are settled by the **27th of December 2025.**

OR

5.2 A monthly payment plan is put in place over and above the normal monthly fees and an acknowledgement of debt is signed. This needs to be done by the **5th of December 2025**. The monthly fee plan must be by debit order.
